Late Night Bar & Event Space

:: late night bar, club & event space ::

As one of Melbourne's most beloved late night inner city bars until 2011, 24 Moons built a reputation for amazing cocktails, mind blowing entertainment and exceptional service over its 24 months of trade. Having scoured Melbourne high and low for a suitable venue that would allow the legacy to continue, 24 Moons has relocated to a new space in Arthurton Rd, Northcote and is once again ready to delivery every aspect of what made the original venue so revered.

With a flexible and modular design, 24 Moons can accommodate everything from a small table or private booth booking all the way up to an exclusive 300 person social or corporate function, entertainment based event or anything in between, having already hosted international artists, comedy shows, burlesque performances, dance parties / club nights and a multitude of live bands.

With the 24 Moons team having completely transformed the space from its former state, the design features a sophisticated blend of textures mixing urban elements with a natural theme, exemplified by the 'moonlit' forest motifs decorating the walls. The design also features a large 6m x 3.5m stage perfect for live performances and bands, as well as several unique spaces including 3 small private rooms and a large VIP room with its own bar that overlooks the whole venue for VIP functions and special occasions.

24 Moons is licensed until 3am Sunday to Thursday and 5am on Friday and Saturday. The venue is ideally located just off the corner of Arthurton Rd and High St, with free carparking directly opposite the venue and train, tram and bus stops all within a one minute walk of the front door.
